

# Permanent Placement

If you need to expand your internal team but don't know how to identify or vet the talent, turn to Syssero® to find the ideal candidates. Our team of recruiting specialists can quickly locate candidates within the Workday® ecosystem that fit your skill set requirements, culture and budget.

## When you work with Syssero to recruit new team members, you get:

### A Dedicated Team

A dedicated team of Workday®-focused recruiters to consult with you in the process

### Access to Talent

Extensive access to one of the largest national networks of qualified Workday® professionals

### Screened Candidates

Carefully pre-screened candidates with multiple reference checks completed and verified Workday® capabilities

### Flexible Interviews

Flexible interviews tailored to your schedule

### Salary Negotiations

Our team will help handle salary negotiations to make a competitive offer while staying within your budget

### Placement Options

Options for placement including direct hires and temporary to permanent placement

### Low Placement Fees

An industry low 20% placement fee based off of the annualized salary of the placed candidate

### Flexible Payments

Flexible payment options for placement fees to help meet your needs

### 90 Day Guarantee

Each placement comes with a 90 day guarantee to help ensure the success of the talent you welcome to your team

### Pro-bono Efforts

Pro-bono efforts until the perfect match is made

Learn more about our solutions:

*Our company was looking for a full-time Workday® integrations resource and after months of going through several avenues we were unsuccessful. Syssero® stepped in and they were able to quickly find a great resource! Our company deals with a lot of recruiters and Syssero's process was pleasant, quick and efficient."*
