

How We Support Your Workday® Journey

When it comes to ongoing Workday® support, every company's needs are different. Syssero offers four distinct support options which address the various stages of Workday® adoption, levels of service required, and different types of need. Each option can be custom tailored to fit your needs and align with your budget.

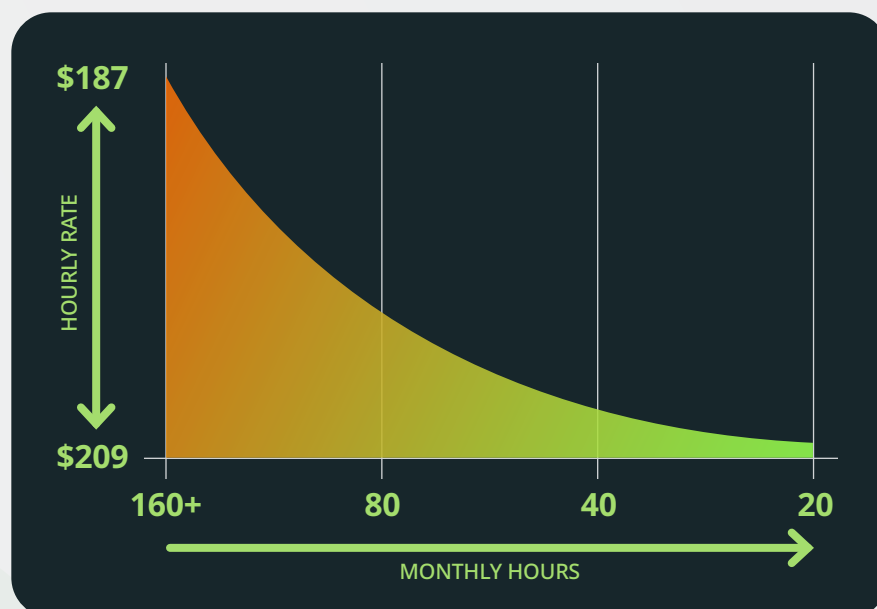

Monthly Subscription Support

Implementation Assistance (LEAP)

The only launch enhancement assistance program in the Workday® ecosystem designed specifically for the ADM methodology.

Billed Monthly

Managed Services (Access Model)

Outsource Workday® support long term or to have Syssero® serve as an extension of your internal team in the short term, the Access model (AMS) is for you.

Flexible Terms

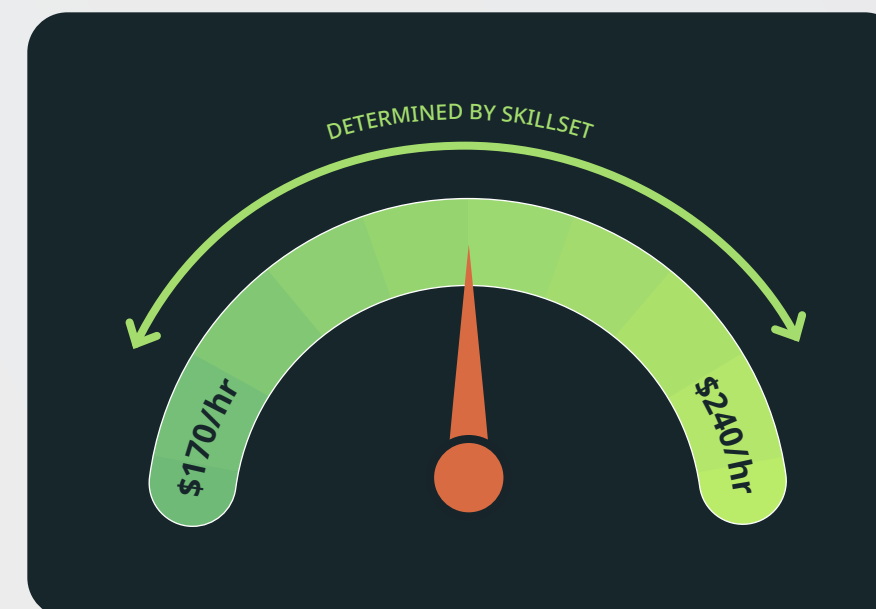

Ad Hoc Support

Projects (Ally Model)

If it's time to expand or overhaul your platform, Syssero's Ally Model can be used for staff augmentation or targeted enhancements.

Time and Materials

Recruiting Services (Permanent Placement)
